

Budapest - TOP attractions

The excursion offers a chance to get to know a bit about Hungary and its capital, **Budapest**, one of the most beautiful cities in the world. Situated on the **Danube River in the heart of the Carpathian Basin**, Budapest has been strongly influenced by its geology throughout the course of history. **Hot springs** gushing water ranging from 35-76⁰ Centigrade gave rise to a flourishing culture of spas back in the Roman period and now make Budapest **one of the most popular spa cities in Europe**. The Danube runs through the city, separating its two main parts, **Buda and Pest**. The **Royal Castle** and the district around it is the key visiting area on the **Buda** side of the city while the **Parliament Building** and **shopping area** is a great attraction in the **Pest part**. We'll be visiting the most interesting and famous sights of the capital: the **Liberty, Elizabeth and Chain Bridge, the Castle District, Royal Palace, Matthias Church, Fishermen's Bastion, the Gellert Hill, Citadel and Statue of Liberty** with its breathtaking view out over the city. Across the Danube on the busier Pest side we will see the impressive **Parliament Building, Opera House, St. Stephen's Basilica, Vaci Street (Central shopping market)** and many more sights on the way to the spectacular **Heroes' Square, Millennium Monument and Széchenyi Thermal Bath** with excellent hot springs.

Welcome to Buda-Pest and also to the famous thermal spa!
